

FURTHER COLLECTIONS

Victoria is delighted to share her new brochure – 'Volume 2' with you. A celebration of the wonderful projects the company has been part of over the last 2 years featuring new curtain leading edge designs and bespoke upholstery.

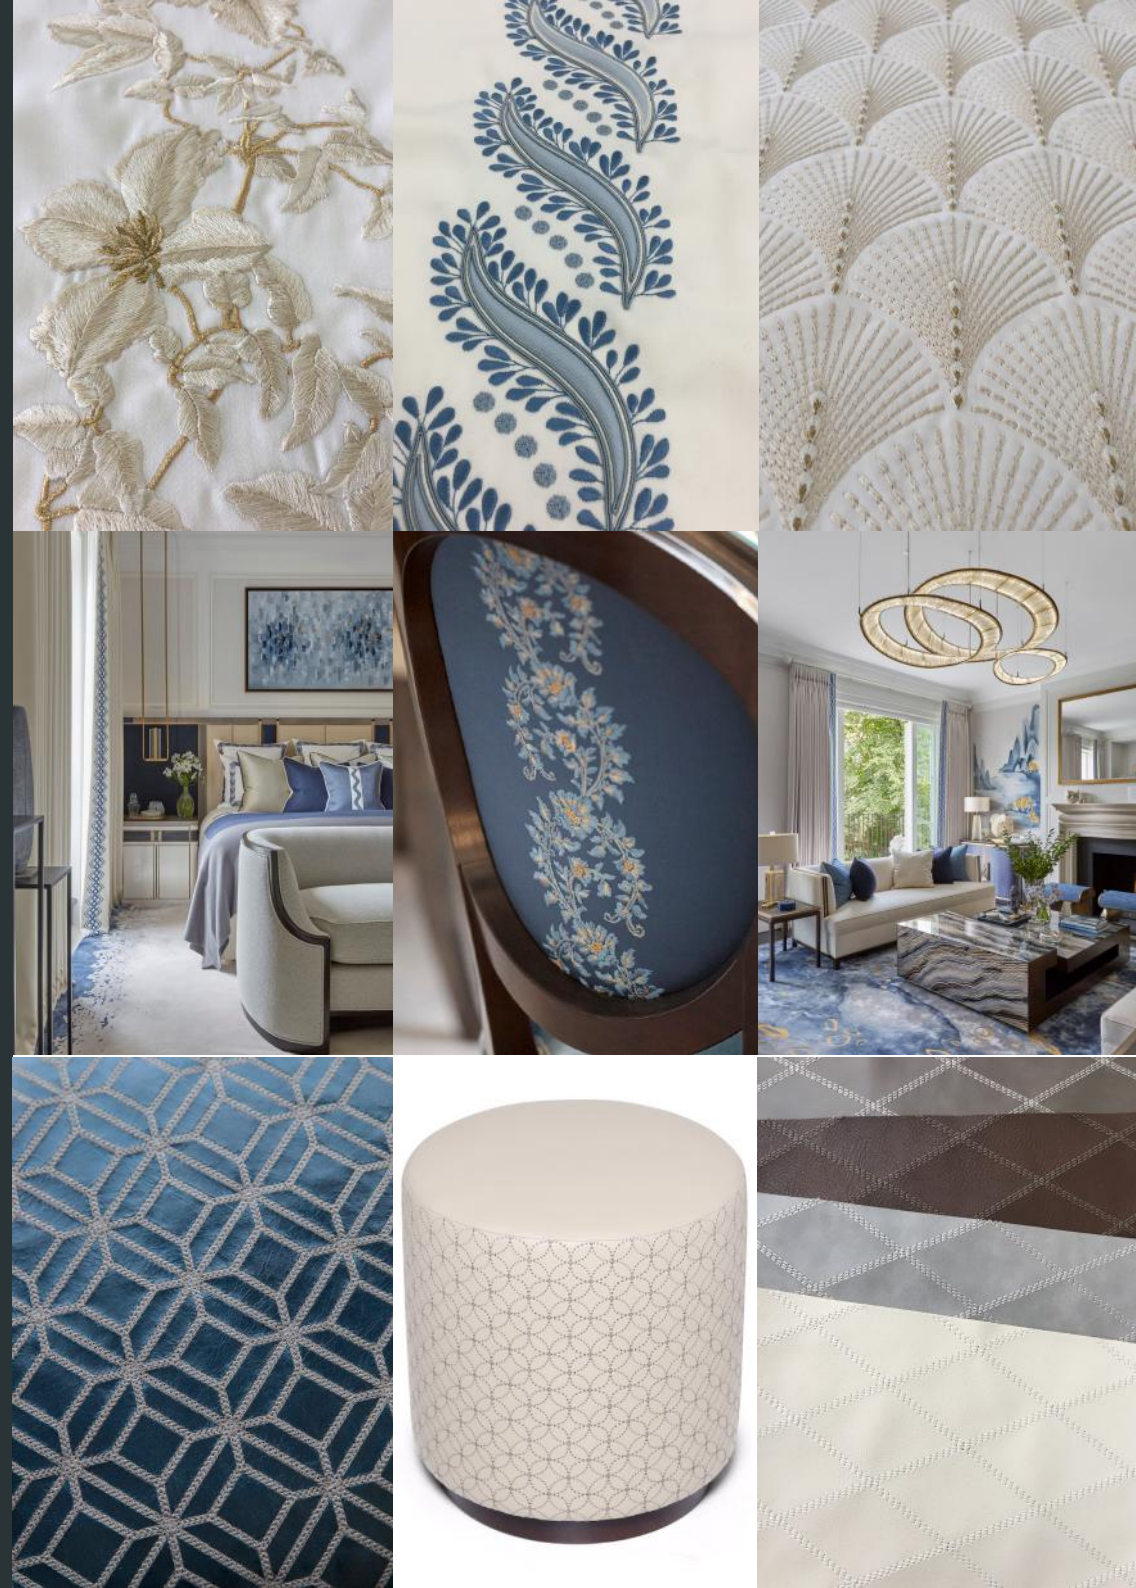

In addition Victoria has recently sourced a highly skilled team for her leather work. The factory is UK based and manufacture for both Bentley and Aston Martin, as always the focus is on quality and craftsmanship.

Victoria continues to experiment and incorporate exciting new techniques into her ranges.

UPHOLSTERY

Embroidered accents on upholstery offers that unique bespoke touch. With a huge increase in demand for upholstered chairs, walling and head-boards we work alongside designers creating one off pieces based on their own artwork or a basic design concept or sketch that Victoria and her team will then take forward.
